FROM PASTOR SANDY

If you are like 40% of Americans, you made a New Year's Resolution this year. If you are among that number, 75% of you have already quit trying to accomplish what you resolved to do in this new decade. While that sounds judgmental it's not my intent. The reality is most of us have difficulties making changes in our lives, even when we are self-aware enough to recognize the need for change.

Years ago, I stopped making "New Year's Resolutions" because I was not following through with most of them. However, a new year is still a great time to reflect on what changes we should incorporate into our lives. That's why I began a new series on spiritual disciplines in January titled, "Renewed Dedications for a New Decade." Rather than incorporating a new habit into my life, I decided to renew my dedications to the spiritual disciplines of the Christian faith.

The series will address seven disciplines of Christianity that every follower of Jesus should incorporate into their lives on a regular basis. These activities are part of the believer's daily life to strengthen our faith and ground us in our commitment to Christ.

To listen to the series, visit our website at www.clarksburgcc.org and click "Sermons." I also recommend two great books on spiritual disciplines that have helped many Christians over the years: Richard Foster's Celebration of Discipline and The Spirit of the Disciplines by Dallas Willard.

I hope the decade of the 2020's is a time of spiritual growth for you, your families and Clarksburg Community Church.

Have a blessed New Year!

Pastor Sandy

FROM THE YOUTH LEADER

The New Year is often filled with excitement, hope, and expectation, and that is how I feel when I look forward to this new year with our middle and high school students.

Looking back, God has done so many good things in growing the faith of our youth, and it had been an honor to watch God work. Having witnessed God working in our youth in the past, I have so much excitement for the year ahead. I look forward to seeing what God does in my heart, in the hearts of our students, and in the hearts of our church in the coming year.

God bless you in the New Year,
In Him, Amanda
