FROM THE PASTOR

According to Amazon Kindle's tracking, the most highlighted verses in the Bible are Philippians 4.6-7, "Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and minds in Christ Jesus." Anxiety, worry and fear are a big part of life today, as they always have been and always will be. We all realize that life is dangerous and there is much that can and will go wrong. There are personal, everyday worries about health and finances and family and business. Many are anxious about changes in the Delta and the nation and around the world. We can wonder and worry about the unknown future for us and those we love. In the face of all that, Paul tells us to stop being anxious. Just stop it! Don't let anxiety, worry and fear mess up your life. Don't let it take control.

Paul says, instead of being anxious, *pray*. If you don't know how, now is a good time to start to learn. Begin with praise and thanksgiving. In this way we take our focus off the anxiety and, instead, look up to the greatness and goodness of Almighty God. Although the problems may be great and even threatening, God is greater and His promises are forever. When we have God in focus, then we can address our anxieties to Him and trust in His will. Paul's admonition was written in the plural. It is often a great help to share and pray with one another. When facing worries alone, we are often overwhelmed. But there is strength in numbers, and whether the challenges are great or small, we can stand together and encourage one another. When we have prayed, Paul assures us that the peace of God will come upon us, and work it's way deep into our heart and soul, and guide us through even the darkest valleys of life.

Just as God is greater than any situation, His peace is greater than any worry or fear or anxiety. Take your anxiousness to God in prayer, and see if He doesn't answer with grace and peace. Amen.

Pastor Dennis

FROM THE YOUTH LEADER

February turned out to be an awesome month for our youth groups!! Because February has Valentine's Day in it, we chose to take the entire month to talk about dating and love with the high schoolers. Dating is a big deal during high school, so it was really good to discuss the purpose of dating and honoring God and others while dating. Amy Merwin came to teach our youth how to swing dance at our Valentine's Day party, and it was a blast!! Our middle schoolers enjoyed a pizza party after school on a Friday! It was something new and fun! We also discussed the purpose of dating and who we should consider dating.

In March, we are going to be tackling the question, "Is Christianity all about following rules?" High schoolers: stay tuned for a super fun outing later in the month! You're not going to want to miss this one!

Our middle schoolers and high schoolers are going to summer camp June 24-29! If you would like more information on registration and pricing, please feel free to email me at cbccyouth1@gmail.com

Blessings, Amanda

NICARAGUA MISSION TRIP

MARCH 9-15

We are sending Lauren Winkler and Lee Harris to Esquipulos in March. Thank you for your continued prayer and support.

Serving at the Union Gospel Mission

"Each one should use whatever gift he has received to serve others, faithfully administering God's grace in its various forms." 1 Peter 4:10

As we enter our 8th year of serving at the Union Gospel Mission, our volunteer group has served, roughly, 8,400 meals to the homeless, the poor, the working poor and many more on our third Thursdays. We have seen many of the same faces throughout the years and we have seen many new faces throughout the years. Unfortunately, the faces that we have seen throughout the years are the faces that have changed the most: they are more tired, they are weathered, they are strung out, they are less engaged. We used to get a smile, perhaps a "hello" or a "thank you." Now it's hard to get eye contact from some of them. Also, along the way, we have seen new faces that have come and gone and we wonder what happened to them, hoping they are off the street, perhaps reunited with family. It has been a blessing of sorts to serve the homeless at the UGM. It is also heartbreaking and frustrating. Sometimes it feels like we are not really doing anything to help other than serving 100+ dinners once a month. We signed up to serve others, thinking we would be a blessing to those to whom we serve a meal. When, in reality, we have realized we have been a blessing to the men/staff at the UGM: the men cooking the food that we serve, providing us guidance and utensils to serve, how many slices of cake to cut, sometimes telling us their stories, where they are in the program and many times have asked us to pray for them. Every third Thursday, as we are about to leave, we are always thanked by these men. They truly appreciate our service and, more important, they appreciate our interest, our prayers and our support for them and the UGM. It is truly a blessing to see how God is working in these men's lives.

We are at a point now that we are looking for help to continue this mission. We have a core group of five to serve, and we need six servers on our third Thursdays. Due to health, families, vacations, work, etc., there are many months lately where we are reaching out to others to help us serve. If this mission is to continue and be supported by our church, we truly need more hands to serve on our third Thursdays. Please pray for this mission, for the men in the program and for those whom we serve. If God has placed this mission on your heart, please consider joining us to serve on our third Thursdays. There is a sign-up sheet on the bulletin board in the fellowship hall. Reminder/confirmation telephone calls are made on the Wednesday prior to our serving.
