## Clarksburg Community Church Annual ~~Dinner~~ Luncheon New Time This year! November 4<sup>th</sup> at 12:30 PM

This year immediately following our creative worship service (including the Youth Choirs) on November 4<sup>th</sup> we will be having the church annual ~~dinner~~ lunch beginning at 12:30 PM.

This is a change from previous years as we normally begin the dinner at 5:30 PM.

Plan on joining friends, family and the community for this special gathering as we celebrate God’s Good Gifts of Food and Drink.

All are welcome!

Please look soon for sign ups in the church entrance.

**1 Corinthians 10:31**  
*So whether you eat or drink or whatever you do, do it all for the glory of God*

**FROM THE PASTOR**

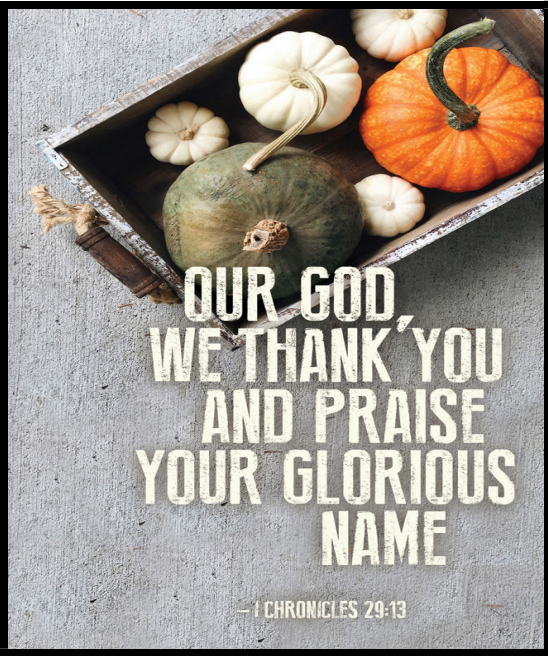

Margie and I very much appreciated and enjoyed the luncheon celebrating our 30 years in Clarksburg. Thank you to the Council members-at-large who planned and organized the meal and to all who came and shared this special occasion with us. As we look back 30 years doesn't seem like a long time, and yet so much has filled those years and we have so many memories! Margie and I feel truly blessed that God brought us here and made this church body our home. We cannot thank you enough for all the love and support and prayers for us and our family and how much each one of you has enriched our lives over the years here.

At the same time, I don't want anyone to get the impression that we are done. My freshman year in college began with a class in which I struggled day and night (I literally pulled some all-nighters to finish some of the assigned papers) to learn how to write well enough to be an English major. At a meeting with my professor just a couple weeks before the end of the quarter, Dr. Covey informed me, "You have improved 1,000%! But you have another 1,000% to go, so you better get cracking!"

With God's grace and hard work, we have done great things together in the past 30 years, but we still have much to do for the church and the community and the greater kingdom of God. There are children who need to learn about Jesus and the Bible, and youth to be baptized and confirmed and sent out with a strong and abiding faith, and people of all ages who need meals and prayers and

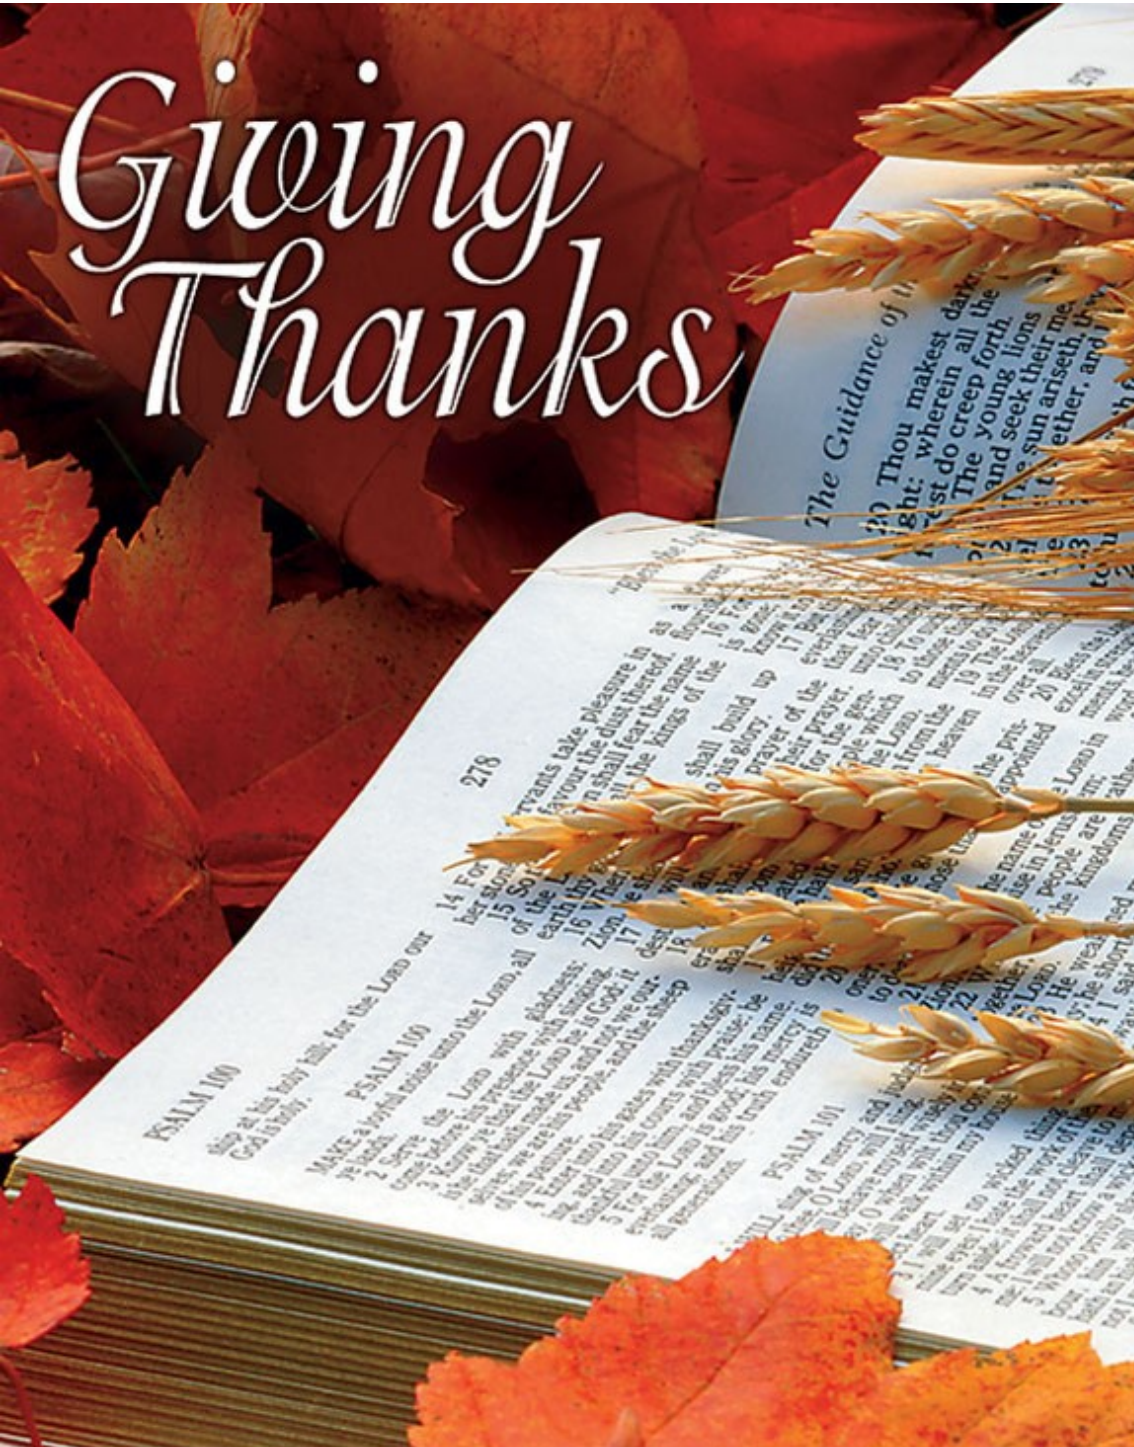

support, and ministries of music, and mission trips and support, and a gospel to proclaim, and kindness and love and grace to spread around, and everything else this church does and is called to do. So we better get cracking!

**FROM THE YOUTH LEADER**

October was a great month for the youth groups, so I’m really looking forward to November!

My mission this month was to begin meeting with the youth outside of youth group to get to know them on a personal level. I have so enjoyed this! Each student I have met with has been unique and delightful to get to know. In October, we finished up a series on relationships, which included discussions on family, friendships, and dating, and we took a youth group meeting to discuss the gospel. Please pray that our students might come to have a deeper understanding of who God is and what He has done through Jesus.

Please pray that I continue to inquire after the Lord and follow His direction as I lead. Thank you, church, for your continued support and prayers!

*Love, Amanda*
