2 Kings 21

1. What kind of king was Manasseh? What did he do wrong, and how bad was he (see also 2 Chronicles 33.10-17)? What was God's response?
   Is there this kind of evil in the world today, and what do you think God is going to do about it? What can "good people" do during a reign of evil?

2. What kind of king was Amon, and what happened to him?
   What did people do about it? When do you think violence is right and when wrong?

2 Kings 22-23

3. In chapter 22, what kind of king was Josiah? What was discovered during his reign and what did he do about it? When did you "discover" the Bible, and how has it affected you and your life? How will you obey the words of this book in the year ahead?

4. In chapter 23, what did Josiah have all the people do? Have you pledged or committed you life to Jesus Christ, and how has that changed your life? Is there something else you need to do to more fully commit yourself?
