The Church Council has formed a committee to plan for a safe return to regular Sunday worship in the sanctuary. We are currently following county guidelines and will be ready as soon as the county deems places of worship to be safe for reopening.

From the Church Office

Greetings from the church office. My name is Tiffani Taylor, the new Director of Administration and Children’s Ministry. I’ll be overseeing the office and financial administration of the church and coordinating our children’s programs. I graduated from Linfield College with a degree in Elementary Education and a teaching credential, and also from Pepperdine University with a Masters Degree in Education. I taught for a number of years before staying home with our three children. During that time I continued to be active in VBS programs, teaching Sunday School, leading a preschool music program and was a substitute teacher at Delta Elementary Charter School. Shortly after our family began attending CCC, I started leading the Youth Choir and then became the VBS director. Our family has enjoyed attending CCC and becoming part of the church family. I am excited for this new opportunity to serve at Clarksburg Community Church and look forward to the time when all the kids are back and we can begin some exciting new programs!

Men’s Group

The first meeting of the new session of Men’s Group will be Saturday, October 10th at 7:00 a.m. in the Community Hall. Due to coronavirus precautions there will be limited items available for breakfast and physical distancing guidelines will be in place. All who attend will be asked to wear face coverings as well. Space is limited, so email or call the church office to reserve your space. Those considered more vulnerable to the effects of the COVID-19 are asked not to attend. The topic for the new session will be introduced as well.

Inside Services?

As Yolo County continues to see declines in the number of COVID-19 infections the county will be allowing more businesses and organizations to resume more normal operations. Our hope is that indoor services will resume the first Sunday of November. However, we will make an official announcement toward the end of October about indoor worship services.
